

Margaret J. Cooney

Mrs. Cooney.
To a teacher and woman
who did a lot of B.M.V.S and
its alumnae - please remember
us and God Bless
Dorothy

Mrs. Cooney
I'll never forget my
General Bookkeeping class - just
having you as a teacher has made
my life happier. I'll be looking
forward to next year.

Friendly always,
Sara
"64"

Mrs. Cooney,
I, a woman
I'd never forget. You're
just the greatest, there's
no doubt about it. You're
a wonderful person, a terrific
teacher and the best class
advisor. I'll never forget our
Bookkeeping I class! Bless you
and keep you safe and sound
always.
Love, Susan

The

Class of 1964

Presents

THE WARRIOR

Advisors

- We, the Class of 1964, extend to you, Miss McDuffie, our sincerest thanks for your patience and effort in helping us overcome the many obstacles which confronted us.

- To the Class of 1964, we extend our congratulations and sincere best wishes for a happy rewarding future. We hope the training, discipline, and knowledge you have received in your high school career will prepare you for greater responsibility and citizenship in the world of tomorrow. With you go our hopes for continued success as you strive to make this world a better place in which to live.

- We wish to extend to you, Mr. Zarrella, our thanks for all your guidance and assistance in helping to bring us closer to the threshold of the future.

Marjorie F. Cooney

Isabel M. Jahnle

In Appreciation

• We, the Class of 1964, wish to express our deepest appreciation to those who have given so freely of their energies, time, and talents in making our four short years so successful. No words will ever be able to convey our feelings toward you, what you have done, and what you represent. We therefore reserve this page for you as a token of our respect.

In Memoriam

RAYMOND COFFIN

• *To one whose heart knew no bounds and whose friendship knew no limit. Death separated him from us early in life, yet his memory has not faded. It is only fitting that we remember him in our yearbook, for our graduation year should have been his graduation year also.*

FACULTY
AND
ADMINISTRATION

• The free man, when ignorant, is a dangerous man. Our society demands certain learnings and competency. You have been given the essential knowledge, understandings, and values to accept the responsibilities that will be placed on you in the future.

May you make the best of your opportunities and achieve success in whatever vocation you choose. I have great confidence in you.

Frederick C. Riel
Superintendent of Schools

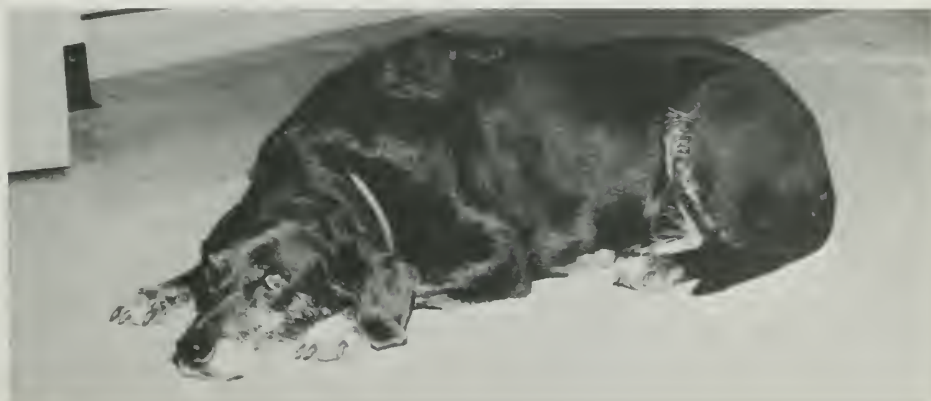

Mrs. Lyons, *Secretary*, Superintendent's Office

Miss Dole. *Secretary*, Superintendent's Office

Lady

• Education to a nation is like a tree to the earth. It is through students well trained in the humanities, sciences, and the values of self-denial that the forces of democracy are strengthened; just as it is through the many compounds of the soil that a tree flourishes to maturity. Used wisely and delicately education will ever contribute to and foster the democratic ideals reproducing them in new forms and types. Accordingly a tree will husband its resources to the same ends—to endure and continue ever stronger, ever mightier. Neither needs military weapons nor political machinations; both need nature, the one the soil, the other students. Education like the soil is the cheapest commodity in the defense of the democratic way of life or the preservation of a tree.

Chester D. Ingraham, *Principal*

• Superior instruction has been equated to the possession of a degree of immortality, since the efforts of the superior teacher to hone the intellect of his students, in the appreciation of true knowledge through mental excellence, is transmitted, partially, to succeeding generations of students. This degree of immortality should be the quest of the enlightened graduate as he applies his talents to the challenges of his particular vocation in a manner calculated to improve the present status of humanity. Hopefully, our young men and our young women, possessed of cultivated and probing intellects acquired through education, will discover and employ a unique alternative to the methods ineffectually practiced during the present time in the solution of the problems of mankind.

Future Nurses Club

- Although this club is a fairly new organization, it has been successful in bringing together girls with common interests to discuss among themselves the many aspects of the nursing profession. President Dianne Tajima and Miss Gowdy have planned many interesting programs to provide members with professional counsel as well.

- This fairly small group of students has been introduced to the complexities of debating by Miss Gowdy, a talented former debater from Boston University. Through the efforts of President Ed Bowe and with the cooperation of Mr. Martin, the club has taken strides in organization and purposefulness.

Rudolfs' Night Out

Twirlers

- The Twirlers, seen at Football games, marching in parades and doing their precisioned routines in the annual Variety Show add a certain zest and appeal to all the functions they attend.

- Since our freshman year, we have seen a great improvement in our band. Under the direction of Mr. DiGloria the band has played at our football games, rallies and assemblies. They have also competed in Music Festivals and marched in various parades in the surrounding towns.

Band

Chorus

- The Chorus has become a popular activity in the past few years. Although they have not as yet surpassed the popularity of the BEATLES, we feel that Mrs. Johnson has helped to increase the enthusiasm for membership.

- The Varsity and Junior Varsity Cross Country team had an excellent season. The Varsity won ten meets and lost three, while the Junior Varsity won eleven meets and lost one.

Robert Mitchell was the top runner of the team, winning first place in seven races.

Kenneth Baroni and Robert Mitchell were the team's co-captains.

The Varsity came in second place in the Suburban Conference Championship Race, while the Junior Varsity won the championship by a perfect score—a feat which has never been accomplished before.

Captain Sullivan

Varsity Basketball

• Our team this year in basketball had a lot of "fight" in more ways than one. Billerica had a season of great effort and saddening defeats. Although our team had an unsuccessful season, the team had an undying spirit; and they were greatly feared by other teams in the Suburban League. Tom Sullivan, captain of the team, led his warriors to battle with Spartan skill.

Starting Lineup

• This season the Girls Varsity Basketball team under the able coaching of Miss Hood ended league competition with a 12 to 2 record and an overall record to date of 15 to 3. At the time of this writing they are about to enter the Ashby Tourney as defending champions with hopes of gaining a second leg on the three year trophy. Captain Lauraine Riel heads the squad of seniors—Sally Paradise, Maureen Ryan, Gail Swiacky, Pam DeMoucell, and Cynthia Brace; juniors—Cheryl Jenkins, Kathy Naughton, Jean Sample, Elaine McKenna, Maureen Burke and Judy Callahan; and sophomores—Mary Anne Meehan, and Connie Ryan with managers Margaret Alting, Midge Harkins and Helen Geronda.

The Junior Varsity under the direction of Miss Clark did very well finishing the season with a 12 to 4 record.

This year ends Lauraine Riel's outstanding basketball career at Billerica Memorial High. Special recognition should be given to Lauraine who became a starting Varsity player in her freshman year and attained heights unknown to any previous Billerica girl player not only as an offensive player scoring a total of 1945 points over her 4 years but also as an outstanding defensive player as well.

Softball Team

• Last year's Softball team completed a very successful season with eight wins and one loss. This Spring seniors: Gail Mulrain, Pam Demoucell, Lauraine Riel, and Pat McCormack; juniors: Jean Sample, Moe Burke, Elaine McKenna, and Kathy Naughton; sophomores: Kathy McCormack, Elaine McCumber and Connie Ryan return to the diamond under the coaching of Miss Hood to try to attain their outstanding position once more.

• Our 1964 season looks very favorable. Seniors returning are Ron Bernarducci, Gerry Lavery, Bill Meehan, Bill Neville, Bill Stuart, Tommy Sullivan and Mike Weeks. Coached by Mr. O'Brien, these boys, with their past experiences in baseball, will do their best to have a successful 1964 baseball season.

The Memory Box

I have no doubt that about the year 2500 archaeologists will leave their plastic, glass, and chrome cities to search the rubble of ancient Billerica seeking new knowledge of a primitive sub-culture that once flourished there during the latter part of century XX. If they are meticulous enough, they might find a large battered box in the basement of what was once a suburban home. In that box will be assorted artifacts dating from the period 1960-1964.

But for the time being, this box contains not artifacts, but a living chronicle of four long, yet short; dull, yet interesting; gone, yet not forgotten years.

Come! Let's empty the contents and relive four years at B.M.H.S.

Here on top are some of my freshmen mementos. Remember the first day of high school and that sign over the door that said "Welcome Freshmen"? Well, there's a piece of it over yonder. Here is one of the socks I wore to the "Sock Hop" and a G-cleft from the "Romance-in-Rhythm" dance. Here's my old wallet with my first locker combination scrawled across the front. Look! A freshman class ballot—Let me see: Ronald Bernarducci, *President*; Jane Knowles, *Vice-President*; Eileen Buchanan, *Secretary*; John Grady, *Treasurer*. On the back is a list of the NINE different people we had for English I.

Next we find fragments of a sophomore year spent wrestling with Algebra II, Civics, and Latin II. Here's my favorite copy of *Julius Caesar* autographed "Reggie '62." Remember Mrs. Drescher's geraniums? Well, there's a piece of her plant pot over there by an old "Nixon for President" button. And underneath that is a souvenir from "Candy Cane Coronation."

A year later the big things were class rings and 89¢ slide rules. There's an animal I made during one of our fabulous "glass bending" labs, along with a broken thistle tube from Chem and my 29¢ compass and straightedge. I even have the last record played over the P.A. at lunchtime.

Here are my memories from "Rhapsody in Blue": Seven strips of crepe paper—one for the queen, Patti Innis; and one for each attendant—Cheryl Ahola, Jan Hagerty, and Patti Columbus, Donna Patterson, Diane Carlton, Sandy Melendy.

Further on in the pile we have a napkin from Blinstrub's, a teasing comb, a menu from Skip's, a U.N. button, a screwdriver from the shop, a bent fork, a string from a basketball net, a steno pad, and a menu from Monticello's. Around the edge of the menu is written, "Sullivan for President, Rosey Loranger for V. P., Jolean for Secretary, and Lavery for Treasurer." On top, just below the ketchup smears, is written "Victory."

And now comes the final year. Bills! Bills! Bills! Look—bills for class pictures, class dues, college boards, yearbooks, reservations to the Old Coach Inn—and still more bills! But if this is the most expensive year, it is the richest in memories. Don't forget! This is the year of the Beatles, elbow patches, "Colangelo and Lavery for Secretary and Treasurer," stretch slacks, "no prayers in school," the "Monkey," college applications, "Cheaper by the Dozen," the N.H.S. horse show (and "dog-burgers."), B. Z. for President, yearbook meetings, Senior Week, "Nadeau for V. P.," interviews, Senior parties, and "Bon Voyage."

In a few weeks we can add a tassel and a diploma to the heap. Then we can put a lid on our memories, store them in the obscurity of attic or cellar, but we will never forget them.

The art of being a non-conformist

or why many perceptive yearbook
staffs prefer a very distinguished
publishing house

Retaining one's individuality is not easy in these days of mass production and standardization. This is especially true of yearbook publishing, in which mass production methods have the tendency to force one to buy just what the other fellow buys.

Making of soap or soup or salad dressing by mass methods is one thing. But it is quite another to attempt to produce a creative yearbook by trying to squeeze it into some pre-conceived mold. It just can't be done that way.

The Wm. J. Keller firm brings together highly trained craftsmen, the very finest papers and ink of superlative quality. Add to these a unique service plan built around the individual school, and, finally, production by the Velvatone process, which Keller perfected especially for the printing of yearbooks, and you have a truly distinguished performance. And a yearbook with singular character and individuality . . . we call it "THE LOOK OF THE BOOK."

The yearbook you are presently leafing through is the product of the Keller custom program. If you would care to see other examples of "THE LOOK OF THE BOOK" as produced by Wm. J. Keller, get in touch with us now.
